# Press Release

## **Pier 39 Marina in San Francisco, California chooses the Total Marina Package as their new Marina Management software.**

**Highland CA, April 14, 2010:** After reviewing many of the Marina Management systems available today, PIER 39 Marina in San Francisco, California has chosen the Total Marina Package by Kord Information Systems, LLC.

“The Total Marina Package has all the features we were looking for to help us save time and money. Some of those features include: guest reservations, open item accounting, dockminium relations, ACH payment processing, e statements and a report designer. It is Annette’s attention to service and her customer’s needs that tipped the scale for us.” Marta Bell, Assistant Harbor Master PIER 39 Marina.

Annette Kord, CEO of Kord Information Systems, LLC is thrilled to be working with the staff at PIER 39 Marina again. “We are thankful PIER 39 is putting their trust in us and the Total Marina Package, they won’t be disappointed”.
